Report on the Audit of Standalone Financial Statements

Qualified Opinion

We have audited the standalone financial statements of M/s United India Insurance Company Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2020, the Fire, Marine and Miscellaneous Revenue Accounts, the Profit and Loss Account and Cash Flow Statement for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information incorporated in these standalone financial statements are the returns of the 30 Regional Offices (in which are incorporated the Returns of 431 Divisional Offices), 7 Large Corporate and Broker Cells and an overseas run-off operations ("other offices") audited by other auditors.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid standalone financial statements give the information required by the Insurance Act, 1938 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India

- in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March 2020;
- in the case of the Revenue Accounts, of the surplus/deficit for the year ended 31st March 2020;
- in the case of Profit and Loss Account, of the loss for the year ended 31st March 2020; and

Basis for Qualified Opinion

- Note No.29 (a) and 29 (b) to the standalone financial statements, refers to non-obtention of year end confirmation from other insurance companies and consequential impact on the financials, if any, of adjustment/ reconciliation is not ascertainable.
- Note No. 15(a) to the standalone financial statements, regarding the investment in Non-Convertible Debentures to the tune of Rs. 2750000 thousands (Rs. 2750000 thousands) of IL & FS Group as on March 31, 2020. The Companies in IL & FS Group have defaulted on interest payments and principal repayments which were due till March 31, 2020. The company has treated its entire investment in IL & FS group as Non-Performing Asset (NPA) and classified it as Doubtful I Category asset as per income recognition, asset classification, provisioning and other related matters on investments in Master Circular IRDAI (Investment) Regulation 2016 and has made a provision of Rs. 950000 thousands

(Rs.275000 thousands) on non-convertible debentures in the books of accounts. The credit rating of the IL & FS and its group entities has also been downgraded and the matter pertaining to the initiation of corporate insolvency resolution process for IL & FS group is pending before NCLT indicating substantial erosion of security. The Company is yet to ascertain the realisable value of the security charged to secure these debentures as the reference to NCLT has not yielded any road map for the resolution of NPA (Loss Assets). The company has already provided for 100% of the unsecured exposure of Rs. 500000 thousands and in our opinion the company is required to make an additional provision to the extent of 100% on the secured exposure also. This has resulted in understatement of provision by Rs. 1800000 thousands and consequent understatement of loss to the same extent for the year ended 31st March, 2020.

- 3) Note No. 15(b) to the standalone financial statements, regarding the investment in Non-Convertible Debentures to the tune of Rs. 500000 thousands issued by Dewan Housing Finance Limited (DHFL). DHFL have defaulted on interest payments and principal repayments which were due till March 31, 2020. The company has treated its entire investment in DHFL as Non-Performing Asset (NPA) and classified it as Sub-standard Category asset as per income recognition, asset classification, provisioning and other related matters on investments in Master Circular IRDAI (Investment) Regulation 2016 and has made a provision of 10% amounting to Rs.50000 thousandss on non-convertible debentures in the books of accounts. The credit rating of the DHFL has also been downgraded and the matter pertaining to the initiation of corporate insolvency resolution process is pending before NCLT. The Company is yet to ascertain the realisable value of the security charged to secure

these debentures as the matter is pursued by the debenture trustee on behalf of the debenture holders. In our opinion, the company is required to make an additional provision of 90% on its investment exposure. This has resulted in understatement of provision by Rs.450000 thousands and consequent understatement of loss to the same extent for the year ended 31st March, 2020.

Had the qualifications in respect of point no (2) and (3) above been given effect to, provisions and the loss for the year ended 31st March 2020 of the company would have been higher by Rs. 2250000 thousands and the reserves would have been lower by Rs. 2250000 thousands. Further, the cumulative impact of the qualifications in points (2) and (3) above would result in the reduction of the Solvency Margin of the Company to 0.27

The effect of qualification of point no (1) above is not ascertainable.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the material weakness has been identified as at March 31, 2020 as below:

1. The Company did not have appropriate internal controls for obtention of year end confirmation of balances from other insurance companies and reconciliation.
2. The Company did not have a system in place for timely and effective reconciliation of the differences between the balances reflected in the books of accounts of the company and those reported in the Electronic Transaction Administration and Settlement System (ETASS) Portal in respect of transactions amongst the co-insurers.
3. The recording of the reinsurance transactions is done through manual intervention to feed enormous volume of basic data into the system due to of absence of seamless integration of the accounting package in direct side with that of the accounting package used in reinsurance.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim standalone financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the effects/possible effects of the material weakness described above on the achievement of the objectives of the control criteria,

the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2020 standalone financial statements of the Company, and the material weakness has affected our opinion on the standalone financial statements of the Company and we have issued a qualified opinion on the standalone financial statements.

Other Matters

The actuarial valuation of liabilities in respect of Incurred But Not Reported ('IBNR') and Incurred But Not Enough Reported ('IBNER') as at 31st March 2020, has been duly certified by the Appointed Actuary of the Company as per the Regulations. The actuarial valuation of liabilities in respect of retirement benefits to employees has been duly certified by an actuary. The said actuarial valuations have been relied upon by us as mentioned in our Audit Report on the standalone financial statements for the year ended 31st March 2020.

Accordingly, our opinion on the internal financial controls over financial reporting does not include reporting on the adequacy and operating effectiveness of the internal controls over the valuation and accuracy of the aforesaid actuarial liabilities.
