FAQs on COVID-19

1. Does my health insurance policy cover COVID-19 infections?

A: All the Health Policies issued by United India Insurance Co. Ltd. except Uni Criticare Policy, provide cover for hospitalisation expenses arising out of COVID-19 infections.

2. Does the Group Health Policy of UIIC taken by my employer cover COVID-19?

A: Yes, all the Group Health Policies issued by United India provide cover for hospitalisation expenses arising out of COVID-19 infections.

3. What is basis for confirming disease COVID-19?

A: Positive report confirming COVID-19 from Government Hospital Lab or Lab authorised by the Government to conduct COVID-19 Test.

4. Is there any waiting period to cover COVID-19 under health insurance?

A: There is no specific waiting period for COVID-19. However, for all our fresh retail health policies, except Individual Health Insurance Policy - Platinum, there is an initial waiting period of 30 days for all diseases and ailments. This 30-days' waiting period is not applicable on our renewals without break. For Corona Kavach Policy, the waiting period is 15 days. For Group Policies, please see the policy document to know the initial waiting period, if any.

5. Are pre and post hospitalisation expenses covered?

A: Yes, they are covered up to the limits mentioned in the policy. In our retail health policies pre-hospitalisation expenses up to 30 days before the date of admission and post-hospitalisation expenses up to 60 days after the discharge from the hospital are covered. Please see the policy terms and conditions to know more about this coverage. In the Corona Kavach policy pre-hospitalisation period is 15 days and that of post-hospitalisation is 30 days.

6. Is cashless treatment facility available?

A: Yes, Government Authorities have permitted specific Private Hospitals to treat COVID-19 and cashless treatment facility is available in all our network hospitals notified by Government Authorities for treatment of COVID-19. For the list of network hospitals, please see our website www.uiic.co.in or the website of the TPA servicing your policy.

7. Are testing charges reimbursable?

A: Ministry of Health and Family welfare has defined protocol for testing, the charges incurred in line with Government. defined protocols are reimbursable only if followed by hospitalization on advice of Competent doctor to treat COVID-19 cases.

8. Are expenses incurred during Quarantine period covered?

A: Quarantine is a restriction on the movement of those who may have been exposed to a communicable disease but do not have a confirmed medical diagnosis. Quarantine can be an 'Institutional Quarantine' generally maintained by

FAQs on COVID-19

the public authorities. People with travel history are normally lodged in such facilities. It can be a private facility like hotels, etc. People who do not wish to stay in Institutional Quarantine facilities may opt for private facilities. It can also be a home quarantine. As Quarantine is done only to restrict movement of persons who do not have a confirmed medical diagnosis, the expenses in case of Quarantine are not covered.

9. In case of isolation, is the daily cash allowance payable?

A: Isolation is separation of sick people with a contagious disease (people who are COVID-19 Positive) from people who are not sick. Daily cash Allowance is an optional cover and is payable in case of Isolation as per policy terms and condition and sub-limits if it is opted for under the policy. However, it is not payable in case of Quarantine.

10. Where should I avail treatment for a claim to be admissible under a health policy?

A: Treatment for COVID-19 is regulated by various government agencies / authorities. The policy shall cover treatments availed by insured persons from hospitals / Isolation centres / community halls / schools / colleges / stadiums / railway coaches/ any other facility / make-shift or temporary hospital notified by the competent government authority to treat COVID-19. Treatments availed at these places shall be considered as hospitalization treatments. Treatments at locations / facilities not specifically approved / authorized by the concerned Government authority shall not be admissible as a claim under a policy.

11. Are treatments taken at 'Hospital-Hotel' tie up facilities admissible under a health policy?

A: Where any network provider has set up any such make-shift or temporary hospital, such make-shift or temporary hospital shall be regarded as the extension of the network provider and cashless facility shall be made available. Treatments at locations / facilities not specifically approved / authorized by the concerned Government authority to treat COVID-19 shall not be admissible as a claim under a policy.
