PENSION DEPARTMENT

31st May,2021

Submission of Pensioner Life certificate for the year 2021

Life certificate for the year 2021 was opened for the period from 1st January,2021 till 31st March,2021 vide our circular dated 8th December,2020. The exercise was a great success with most United India pensioners and family pensioners making use of the facility for continuity of their pension. The entire process was made online wherein acknowledgements were sent through emails and SMS and list of submission by pensioners and family pensioners was published at regular intervals in both HO Intranet site and UIIC website. Continuous reminders were sent to pensioners / family pensioners who had not submitted the life certificate and this enabled good number of submissions before the cut-off date of 31st March,2021.

Despite the same, we have received few representations from pensioners and family pensioners who could not submit life certificate during this period due to the pandemic situation. The same has been considered positively by our Management and it has been decided to reopen the life certificate submission from 7th June,2021 to 21st June, 2021 for a period of 15 days.

It is requested that pensioner's/family pensioners who are yet to submit their life certificate for the year 2021 shall submit life certificate within the timeline mentioned by following Covid-19 protocols taking safety precautions like social distancing, wearing masks, frequent sanitization etc. and extend their cooperation in submission of LC during the timeline mentioned. Other details mentioned in our Life certificate circular dated 8th December 2020 shall remain unaltered. Upon submission of Life Certificate during the timeline mentioned above, pension arrears as well as regular pension will be processed and released thereafter.

Chief Manager
