11. **No payment shall be made to the Contractor before the completion of 50% of the work.**

a. **1st Interim bill shall be paid after completion of 50% of work after the duly signed certificate from the Architect & the bank- official (if any).**

b. **Second Interim bill shall be paid after completion of 75% of work, after the duly signed certificate from the Architect & the bank- official.**

c. **Only two running bills shall be claimed during the completion of furnishing work as per the given time period of 30 days.**

d. **Apart from the initial security deposits, retention money shall be deducted from progressive running bills @ 10% of the gross value of each running bill.**

e. **Final bill shall be submitted to the bank within 15 days after the completion of work along with certificate from the Architect and bank official.**

All taxes, duties, etc. including Sales Tax, octroi, Excise duty or any other tax on material or on finished works like work's contract tax, turn over tax, Income tax, etc. as applicable till completion of work in respect of this contract shall be payable by contractor and the Bank will not entertain any claim whatsoever in this respect. The rate quoted by the contractor should take care of all such taxes, octroi, duties etc. till the completion of work.

12. ***The rates shall include the cost of coat of anti termite treatment on all wooden framework and all commercial ply / board used for partitions and panelling, furniture etc. The contractor/s shall have to dismantle & dispose the existing counters, tables & partitions within the quoted cost of the total furnishing works.***

13. Rates for partitions, panelling, wall cladding and false ceiling shall include cutting and making good of necessary cut-outs/chiselling to be made for electrical conduits, switch boards etc.

14. Bank shall not be responsible for any lose or damage to the contractor/labour due to any natural calamity during the course of construction. Contractor is liable to make good all the damages if any, till the work is completed and handed over to the Bank authorities.

15. ***Any payment to the contractor on account of execution of work, whether it is running payment or final, shall be verified by the Architect-in-Charge. Then only it can be submitted to the bank. Payment will be made within 5 days after receiving the certified bill at head office.***

16. Unless, otherwise mentioned all materials to be used shall be I.S.I. marked. Failure to do so, the work may be rejected and in that case contractor shall have to remove the defective materials and replace / re-do the work for which no claim shall be entertained.

17. The total work shall be supervised by the Architect-in-Charge and he/she shall be kept fully informed by the contractor regarding the progress of work.

18. Bank may award the work in part or whole to a single party or any other party.

19. It may please be noted that the Bank is not bound to allot the work to the lowest party. And as such, the allotment of work shall be based on workability of rates quoted by the contractor on account of quality work. If work allotted to L-1 and he/she back out for whatsoever the reason/ does not response to the work, then work will be allotted to the L-2 at the same rate awarded to L-1.

20. The L-1 will be calculated out of the summary of all the works including furnishing, electrical, ac work and other work.

21. The bank reserves the right to reject any or all the tenders without assigning any reason whatsoever.

22. The earnest money deposited shall not carry any interest and will be refunded to the unsuccessful tenderers.

23. Earnest money paid by the contractor shall be forfeited by the Bank if contractor fails to undertake the job within 7 days from the date of allotment of work –order.

24. If the selected furnisher does not start the work within the 7 days after date of issuing the work order & do not inform the Bank about the same, Then the Bank reserves the right to issue the work to the L-2 at the same rate awarded to L-1. Also no written communication shall be given to the L-1 for withdrawal of the work-order from L-1.

25. If the contractor does not complete the work as per the tender/ work-order, then the penalty of 2% of the actual amount paid to the contractor for the actual work done. This will be in addition to the penalty @2% of the contract value, per week on account of delay in work. However both the penalties as mentioned above will not be more than the 10% of the work order.

26. If contractors quote “FREAK RATES” then the tender is liable to be rejected.

27. The contractor shall take all the necessary precautions while working and to safe guard adjacent property, Bank's property, Bank's Employees, and traffic persons.

28. All the rates quoted are inclusive of removal of existing counters, partitions, wiring, rubbish/ debris collected during the progress of work, rejected materials etc.

29. The contractor shall not directly or indirectly sublet the work to other party without written permission of the Bank.

30. The quantities mentioned in schedule are provisional and likely to increase/decrease to any extent or may be omitted thus altering the aggregate value of the contract. No claim for loss of profit / business shall be entertained on this account.

31. The Bank reserves the right to distribute the work for which quotations have been called, among more than one parties, if found necessary. No claim in this respect shall be considered and the contractor agrees to cooperate with other agencies appointed by the Bank.

32. All the workers of the contractor must be properly covered by an insurance policy under "Workman's Compensation act" and "Fatal Accidents Act". The contractor at his own expenses arrange to effect and maintain until the virtual completion of the contract, insurance policy in the joint name of Bank and the contractor against this risk to be retained by the Bank until the virtual completion of the work, and indemnify the Bank from all the liabilities arising out of such events. In case of delay, contractor shall arrange to extend insurance policy till work is completed.

33. All the work should be completed within the specified period in the tender. If the work is delayed due to the reasons beyond the control of the contractor, he should keep intimating the Bank explaining, therein the reasons for such delays, immediately and if in the opinion Bank's authorities the delay is justified, the contractor shall be granted extension in time limit.

34. The contractor shall furnish well in time before work commence at his own cost, colour samples, samples of materials or workmanship that may be called by Bank's Architect / Engineer for approval. Rates quoted shall cover for such preliminary work.

35. All the glass panes, door handles/ hinges, electric fittings, fans, furniture, records, floors etc. are to be thoroughly cleaned after the work is completed.

36. The rates quoted by the contractor shall be firm throughout the duration of contract (including extension of time if any granted) and will not be subject to any fluctuation due to variation in cost of material and labour.

37. Conditional tenders are liable to be rejected.

38. The successful tenderer is bound to carry out any item of work necessary for the completion of the job even those such items are not included in schedule of quantities.

39. If in any case of work required to be abandoned, the contractor shall not be entitled for any claims and he will be paid as per the actual work done till that period, if deemed fit.

40. Decision of the Bank shall be final and binding on any matter connected with the work. The matter of any dispute shall be decided after mutual discussions based on the terms and conditions of this contract. However, if the matter cannot be resolved then the same shall be referred to the respected qualified person in agreed to both the parties and his opinion shall be binding on both the parties. However, this is precourse to any legal action in this regard.

41. If at any stage during the progress of work, it is observed that the contractor is not progressing the work with due diligence, care of lagging much behind the schedule or fails to gear up the work despite instructions from Bank's Architect, the Employer (Bank) reserves the right to terminate the contract with 7 days notice. In such case the contractor shall be liable to pay the Employer any extra cost involved for the completion of the said work and will not obstruct any way in completing the work through other agency. After completion of entire work the contractor shall be paid for the actual work executed by him at the quoted rates after deducting any claims, damages. In case of such termination the security deposit held by the Bank will be forfeited.

42. Contractor shall follow all rules / regulations in force and should posses the license for employing labour and also follow all safety measures, labour bye laws and shall be responsible for any lapse.

43. At any stage i.e. during the execution of work, any kind of change reqd. whether it is in design or specification, the same has to be in-corporate by the contractor.
